Remarks

This well-maintained home features restored original hardwood floors that run throughout the main living areas. The open-concept kitchen has been completely updated with new cabinets, quartz countertops, and brand-new stainless steel appliances. The primary bedroom connects directly to an updated bathroom with dual his-and-her vanities. The finished basement adds extra living space with a full bathroom and wet bar. Outside, you'll find a 2 car garage along with a new concrete driveway and walkways. A comfortable, move-in-ready home with thoughtful updates throughout.
